

FAIRFIELD THEATER SPONSORSHIPS

Fairfield Theater has been producing Fall & Spring plays at Fairfield Jr/Sr High School for decades. Every year dozens of students try out for roles in the production, rehearse every day after school for two months, and assist with technical aspects such as set construction, lights & sound, and dramaturgy. This culminates in two performances at the end of the semester. Some of our recent productions include: *A Midsummer Night's Dream*, *12 Angry Jurors*, and *Alice in Wonderland*.

Sponsoring Fairfield Theater is a direct investment in the children of our community. It enables us to meet the many expenses of the show, including performance rights, construction materials, lighting & sound equipment, costumes & make-up, and program printing. Our 2020-2021 production "Vintage Hitchcock: A Live Radio Play" will have the unique expenses of sound-editing and web-hosting.
